Ladies and Gentlemen:

Municipal Liquidity Facility LLC (the “*Purchaser*”) hereby offers to enter into this Note Purchase Agreement (the “*Note Purchase Agreement*”) with the Issuer which, upon acceptance of this offer by the Issuer, will be binding upon the Issuer and the Purchaser, subject to modification and earlier termination, all as outlined below. This offer is made subject to your acceptance at or prior to 5:00 o’clock P.M., New York City time on the date hereof, and, if not so accepted, will be subject to withdrawal by the Purchaser upon notice to the Issuer at any time prior to acceptance hereof by the Issuer. All capitalized terms not otherwise defined herein shall have the same meanings ascribed thereto in *Schedule I* attached hereto and made a part hereof.

1. *Purchase and Sale of the Notes.* (a) Subject to the terms and conditions and upon the basis of the representations, warranties and agreements hereinafter set forth, the Purchaser agrees to purchase from the Issuer, and the Issuer hereby agrees to sell to the Purchaser, the principal amount of the above-referenced Notes set forth on Schedule I (the “*Notes*”), at the purchase price set forth on *Schedule I* under the heading “Purchase Price.” As provided in Section 7 hereof, the Purchaser shall deduct from the payment amounts of such Purchase Price an origination fee of 0.10% of the principal amount of the Notes being purchased by the Purchaser. The Notes shall mature on the date set forth on *Schedule I* under the heading “Maturity Date,” shall bear interest from their dated date payable on the date set forth on *Schedule I* under the heading “Interest Payment Date” and at the rate determined as provided on *Schedule I* under the heading “Interest Rate” and shall have such other terms as are set forth on *Schedule I*. The Notes shall be in the form set forth in *Exhibit D* hereto and shall have the credit as described on *Schedule I* under the heading “Credit for the Notes” and are being issued pursuant to and in accordance with the provisions of the applicable law and the Authorizing Actions of the Issuer described on *Schedule I* under the heading “Authorizing Actions.”

(b) The Issuer may cause the redemption or purchase of all or a portion of its Notes on any business day at a price of 100% of the principal amount thereof plus accrued interest to the redemption or purchase date upon not less than twenty (20) nor more than sixty (60) days' written notice.

(c) The Purchaser represents that it shall purchase the Notes for its own account and not with a present view toward resale or the distribution thereof, in that the Purchaser does not now intend to resell or otherwise dispose of all or any part of its interest in the Notes but retains the right to tender, assign, pledge as security, participate or transfer the Notes.

2. *Conditions to Purchase to be Satisfied Prior to Closing.* (a) It is a condition to the Purchaser's obligations hereunder to purchase the Notes that, two (2) business days prior to the date hereof, the Purchaser shall have received rating confirmation letters (or their substantive equivalent) from all of the major NRSROs then assigning long-term ratings to the credit applicable to the Notes, confirming such long-term ratings taking into account the issuance of the Notes. For purposes of this Note Purchase Agreement, "major NRSROs" means S&P Global Ratings, Moody's Investor Service, Inc., Fitch Ratings, Inc. and Kroll Bond Rating Agency, Inc. and long-term ratings applicable to the credit of the Notes must be provided by at least two major NRSROs.

(b) The Issuer represents that the general obligation or issuer credit ratings of the Issuer and the long-term ratings applicable to the credit for the Notes assigned by the major NRSROs are the ratings set forth on Schedule I.

3. *Closing.* (a) At noon, New York City time, on the Closing Date set forth on *Schedule I*, or at such other time or on such earlier or later date as shall have been mutually agreed upon by the Issuer and the Purchaser, the Issuer will deliver, or cause to be delivered through the facilities of The Depository Trust Company, in New York, New York ("*DTC*"), to the Purchaser or its designee, the Notes, in definitive form, duly executed by an authorized officer of the Issuer and, if applicable, authenticated by a fiscal agent, paying agent or trustee of the Issuer, and the Purchaser or its designee will accept such delivery and pay the Purchase Price of such Notes (deducting from the payment amounts of such Purchase Price the origination fee described in Section 7 hereof) by delivering to the Issuer immediately available funds by wire transfer to a wire transfer address to be designated in writing by the Issuer to the Purchaser or its designee before the Closing Date payable to the order of the Issuer; provided that the payment of the Purchase Price shall not be released until all of the conditions to the Purchaser's obligations to make such payment contained herein have been satisfied. Such delivery of the Notes and payment of the Purchase Price is herein called the "Closing" therefor and the date and time of the Closing is herein called the "Closing Date" therefor. At said Closing, the documentation hereinafter described in Section 5(b) hereof shall be delivered to the Purchaser.

(b) The Notes will be delivered in registered form and shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Notes in accordance with the Book-Entry-Only system of DTC. The Issuer shall make the Notes available

to the Purchaser for inspection at least one business day prior to the Closing Date (the “*Deposit Date*”), for the benefit of the Purchaser.

(c) The Issuer shall arrange for the assignment of a CUSIP number for the Notes.

(b) The Authorizing Actions summarized in the Application and described on Schedule I, which constitute all of the authorizing actions required for the issuance of the Notes and delivery of the other Financing Documents, have been duly taken or complied with by the Issuer and are in full force and effect, and the Financing Documents and any other instrument or agreement to which the Issuer is a party and which have been or will be executed in connection with the consummation of the transactions contemplated by the Financing Documents have been, or will be duly executed and delivered by the Issuer, and assuming the due execution and delivery by the other parties thereto, will constitute legal, valid and binding obligations of the Issuer, enforceable against the Issuer in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws, judicial decisions or principles of equity relating to or affecting the enforcement of creditors’ rights or contractual obligations generally;

(c) On and as of the Closing Date, all authorizations, consents and approvals of, notices to, registrations or filings with, or actions in respect of any governmental body, agency or other instrumentality or court required to be obtained, given or taken on behalf of the Issuer under applicable law in connection with the execution, delivery and performance by the Issuer of this Note Purchase Agreement, the other Financing Documents (including, but not limited to, the Notes) and any other agreement or instrument to which the Issuer is a party and which has been or will be executed in connection with consummation of the transactions contemplated by the foregoing documents under all applicable laws will have been obtained, given or taken and will be in full force and effect;

(e) As of the time of acceptance hereof and as of the Closing, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, is or will at the Closing be pending or, to the best knowledge of the Issuer, threatened against the Issuer, or any other person, affecting the existence or powers of the Issuer or seeking to prohibit, restrain or enjoin the issuance, sale or delivery of all or any portion of the Notes, or in any way contesting or affecting the validity or enforceability of the Notes, this Note Purchase Agreement, or any of the other Financing Documents or contesting the powers of the Issuer with respect to any authority for the issuance of the Notes, the Authorizing Actions or the execution, delivery or performance of this Note Purchase Agreement or any of the other Financing Documents, nor to the best knowledge of the Issuer is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially and adversely affect the validity or enforceability of the Notes, the Authorizing Actions or this Note Purchase Agreement or any of the other Financing Documents, or in any other manner adversely affect provisions or sources for payment of principal of or interest on the Notes;

(f) When issued, delivered and paid for, as herein described, the Notes will be duly authorized, executed, issued and delivered, will conform in all material respects to the description thereof in *Schedule I*, and will constitute valid and legally binding obligations of the Issuer enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws, judicial decisions or principles of equity relating to or affecting the enforcement of creditors' rights or contractual obligations generally;

(g) The Issuer will apply the proceeds from the sale of the Notes for the purposes specified in *Schedule I* under the heading “Use of Proceeds”;

(h) The audited and unaudited financial statements of the Issuer (or excerpts therefrom), provided to the Purchaser, fairly present the financial condition of the Issuer as of the date thereof and the results of the operations for the periods therein set forth and, except as may otherwise have been disclosed to the Purchaser, the Issuer has no knowledge of any material adverse change in the financial position, results of operations or condition, financial or otherwise, of the Issuer from that set forth in such financial statements;

(j) The Issuer acknowledges that it determined to proceed with the sale of the Notes to the Purchaser based upon its independent determination of the necessity thereof including the par amount thereof and interest rate thereon after consultation with its advisors and legal counsel; and

(k) Any certificate of the Issuer, signed by any authorized officer of the Issuer and delivered to the Purchaser, shall be deemed a representation by the Issuer to the Purchaser as to the statements made therein.

5. *Conditions to the Purchaser’s Obligations to Purchase the Notes.* The obligations of the Purchaser under this Note Purchase Agreement have been undertaken in reliance on, and shall be subject to, the due performance by the Issuer of its obligations and agreements to be performed hereunder and to the accuracy of and the compliance with the representations, warranties, covenants and agreements of the Issuer contained herein, on and as of the date of delivery of this Note Purchase Agreement and on and as of the Closing Date.
