## INTRODUCTION

The Federal Tax Reform Act of 1986 (the “Code”) as amended, imposes a limit on the aggregate amount of “tax exempt private activity” bonds (also known as “Volume Cap”) that can be issued by a state.. While the Code provides an allocation scheme for specific issuing authorities, it also provides that a state may, by law, provide a different formula for allocating the State ceiling among the governmental units in the State having authority to issue such bonds. The State of Illinois (“the State”) has adopted procedures for the allocation of Volume Cap pursuant to the Illinois Private Activity Bond Allocation Act, 30ILCS 345 (the “Illinois Allocation Act”).

The Governor’s Office is the entity charged with authority to allocate Volume Cap among the political subdivisions within the State. In the event of conflict between the Code and Illinois Allocation Act and these “2019 Guidelines and Procedures” (the “Guidelines”), the Code and the Illinois Allocation Act shall control. Any matters not covered by the Code or the Illinois Allocation Act or the Guidelines shall be decided by the Governor’s Office, and the Governor’s Office reserves the right to amend the Guidelines at any time.

These Guidelines are provided by the Governor’s Office to assist issuers in understanding how the allocation formula will be administered. They do not represent a binding legal interpretation of either the Code or the Illinois Allocation Act. The Governor’s Office will not make a legal determination of the applicability of the Code to an issuer nor will it determine an issuer’s compliance under the Code. Issuers should consult their own legal counsel to make these determinations.

The Guidelines require certain issuers to submit requests to the Governor’s Office for allocations of Volume cap. In addition, they require issuers within the State to report on reallocations and their use of Volume Cap.

## Calendar Year 2019 State Ceiling and Allocations

### 2019 State Ceiling – Background and Calculation

Section 146 of the Code limits the amount of qualified private activity bond debt that may be issued in a state during a calendar year (“the State Ceiling”). Section 146(d) of the Code was amended by H.R. 5662, the “Community Renewal Tax Relief Act of 2000 (the “CRTF Act”),” to specify that beginning in calendar year 2002 the limit shall be the greater of \$75 multiplied by a state’s population or \$225 million. The CRTF Act further specifies that beginning in calendar year 2003 the volume limit may be adjusted annually for inflation. Pursuant to Revenue Procedure 2008-66 published by the Internal Revenue Service, the volume limit on qualified private activity bonds adjusted for inflation for calendar year 2019 is (\$105 multiplied by the state’s population).

Section 146(j) of the Code further requires that the calculation of the State Ceiling be based on the most recent resident population estimate released by the U. S. Bureau of the Census before the beginning of the calendar year. On December 28, 2017, the Population Division of the U.S. Census Bureau issued “Table 1: Annual Estimates of the Population for the United States, Regions, States, and Puerto Rico: April 1, 2000 to July 1, 2018 (NST-EST2018-03)” which reports Illinois’s estimated population as **12,802,023**.

Illinois 2019 State Ceiling is **\$1,344,212,415.00** (\$105 x **12,802,023**).

### Allocations

Pursuant to the Statute, the table below denotes the initial allocation of the 2019 State Ceiling.

Home Rule Units	\$ 856,024,470.00
Non-Home Rule Units	240,894,465.00
State Agencies/Authorities	240,894,465.00
Total	<b>\$1,344,212,415.00</b>

## HOME RULE UNITS

### Allocation

#### *January 1 Benchmark*

As described in “2019 State Ceiling – Background and Calculation” above, each Home Rule community is allocated an amount equal to (\$105 multiplied by its population and Cook County, as a Home Rule county, is allocated an amount equal to \$105.00 multiplied by the population of its unincorporated area). Based on the most recent US Census estimates the total amount for all Home-Rule units has been determined to be \$856,024,470.00. Appendix C attached identifies the list of Home Rule units and the population count used by the Governor’s Office for the volume cap allocation. Special census estimates or other estimates for individual municipalities are not recognized by the Governor’s Office.

During the period from January 1, 2019 through May 1, 2019 Home Rule units may not apply to the State for an allocation under the Illinois Allocation Act. Rather, Home Rule units must determine and monitor their own private activity bond limits as provided in the Illinois Allocation Act. Please see reporting requirements detailed below in “Home Rule Reporting”.

#### *June 1 Benchmark*

Of the total amount available to each Home Rule unit of government with less than 2,000,000 inhabitants, the amount that has not been granted, transferred, or reserved by Home Rule units for specific projects or purposes as of May 1, 2019, shall be reserved to the Governor’s Office on June 1, 2019 (the “home Rule Pool”). From the period of June 1 through July 15, 2019, one-half of the Home rule Pool will be available to all Home Rule units with less than 2,000,000 inhabitants (the remaining half is available for allocation to the State or State Agencies as herein after described).

The Governor’s Office will accept Home Rule units’ requests for volume cap from the Home Rule Pool beginning on the first State business day on or after June 1, 2019. Requests will be accepted, via the methods described on page 3, only on or after 8:30 a.m., June 1, 2019. No requests can or will be accepted prior to this date and time. **On the first date that applications may be received all applications received between 8:30am and 5pm on such date shall be deemed equally first in line and the Governor’s Office shall grant cap as it may determine. If more than one request is received in a day, other than the first day that applications may be submitted, completed requests will be logged in by the time the electronic submission is received, and processed on a first-come, first-granted basis.**

If a determination is made that there is a sufficient amount of allocation remaining in the Home Rule Pool upon a request made, an allocation approval letter will be sent to the applicant. The approval letter will be mailed by first class U.S. Mail to the signatory of the application letter Express mail will be used upon request and at the issuer’s expense. The allocation is valid for a period of 60 calendar days from the date of the letter or December 28 of the year of the allocation. This period is set by Illinois Allocation Act and cannot be extended.

#### *July 15 Benchmark*

On and after July 15, 2019, the amount of the unused allocation from the Home Rule Pool shall be available to both Home Rule units of government (with less than 2,000,000 inhabitants) and to State agencies. Requests submitted prior to July 15 that are not completely fulfilled must be re-filed after July 15 if cap still is requested.

The Governor's Office will accept Home Rule units' requests for volume cap from the Home Rule pool beginning on the first State business day on or after July 15, 2019. Requests will be accepted, via the methods described on page 3, only on or after 8:30 a.m., July 15, 2019. No requests can or will be accepted prior to this date and time. **On the first date that applications may be received all applications received between 8:30am and 5pm on such date shall be deemed equally first in line and the Governor's Office shall grant cap as it may determine. If more than one request is received in a day, other than the first day that applications may be submitted, completed requests will be logged in by the time the electronic submission is received, and processed on a first-come, first-granted basis.**

**Please Note –**

- **A completed "Allocation Request Letter" (Appendix A) and a copy of an "Official action", as defined in the Statute, must accompany all request submissions (June 1 or July 15). A submission will not be deemed complete unless a copy of Official action is included in the transmittal.**
- **No Home Rule unit may be granted more than 10% of the amount of total allocation initially available for Home Rule units for a single project. Home Rule units may submit separate requests for multiple projects. Requests must be for specific projects, not general use. Requests will be processed only for allocation to be used directly by the requesting Home Rule unit. Joint requests from more than one unit or requests from one unit for allocation that will also be used by other units of government will not be considered. Once an allocation is given to a specific unit, the Governor's Office will not object if units pool their allocations and join together in a bond issue as advised by legal counsel.**
- **The allocation approval letter to Home Rule units of government is valid for a period of 60 calendar days from the date of the letter or through December 31, 2019, whichever date comes first. If an issuer's allocation has expired, it may apply for a new allocation if allocation is still available. Such application will be processed by the Governor's Office in the same manner as any other new application.**
- **The State, a State agency or Home Rule unit may reallocate all or a portion of its ORIGINAL allocation to a Home Rule Unit, the State, a State agency or a Non Home Rule Unit of local government. Home Rule units may reallocate by official action of their governing body only as to volume cap reserved prior to May 1, 2019. Home Rule units MAY NOT reallocate any allocation granted by the Governor's Office after June 1. Please see "REALLOCATION PROVISIONS" for further details.**

## Home Rule Reporting

### *Confirmation of Issuance*

Pursuant to Section 7 of the Illinois Allocation Act, any Home Rule unit utilizing Volume Cap (regardless of its source) is required to report, within 10 calendar days of issuance, the following:

- (a) Name of the Issuer;
- (b) Principal amount of the issue;
- (c) Purpose for which the private activity bonds were issued;
- (d) The amount, if any, used to refund any prior issue of private activity bond; and
- (e) IRS 8038

A form of the “Confirmation of Bond Issuance” letter is provided in Appendix A.

If the amount of bonds issued as stated in the confirmation letter is less than the amount approved for allocation for that project, the amount of unused allocation shall be added to the remaining pool allocation available. This “lapsed” volume cap will be offered first to all issuers who have requested volume cap whose requests were not completely fulfilled, in the order that such requests were initially filed. If more than one request was initially filed at the same time, the order of filing will be randomly assigned for purposes of offering lapsed cap. Volume cap is not considered lapsed unless the issuer or issuer’s representative states in writing that all or a portion of the cap will not be used.

### *Mid-Year Reporting*

No later than May 10, 2019, each Home Rule unit with less than 2,000,000 inhabitants must report to the Governor’s Office in writing on volume cap (i) granted, (ii) transferred, or (iii) reserved by official action of the unit’s governing body prior to May 1, 2019. The form described in Appendix A is provided for this purpose – “Report of Allocation Granted by Home Rule”.

Once Volume Cap is properly reserved by a Home Rule unit prior to May 1, 2019, the Governor’s Office will not object to the subsequent transfer or reallocation of such cap, or filing of a carry-forward of such volume cap, and no notice to the Governor’s Office of any such subsequent action is required. {Please note, however, that Home Rule units must provide notice to the Governor’s office, as provided in Section 6 of the Illinois Allocation Act, within fourteen days of said reallocation.}

**Please Note - Copies of “Official Action”, as defined in the Illinois Allocation Act, must accompany this reporting submission. Submission will not be deemed complete unless a copy of Official Action is included with the submissions.**

**[REMAINDER OF PAGE LEFT INTENTIONALLY BLANK]**

## NON-HOME RULE UNITS

### Allocation Requests

#### *January 1 Benchmark*

The 2019 allocation of Volume Cap available on or after January 1, 2019 to be issued by Non-Home Rule units of local government is expected to be \$240,894,465.00. Non-Home Rule units are defined as municipalities or counties, other than Home-Rule units. All other forms of government, such as local water districts or airport authorities, must apply for Volume Cap as a State Agency.

The Governor's Office will accept Non-Home Rule units' requests for Volume Cap from the Local Government Pool beginning on the first State business day on or after January 1, 2019 (January 2, 2019). Requests will be accepted, via the methods described on page 3, only on or after 8:30 a.m., January 2, 2019. No requests can or will be accepted prior to this date and time. **On the first date that applications may be received all applications received between 8:30am and 5pm on such date shall be deemed equally first in line and the Governor's Office shall grant cap as it may determine. If more than one request is received in a day, other than the first day that applications may be submitted, completed requests will be logged in by the time the electronic submission received, and processed on a first-come, first-granted basis.**

If a determination is made that there is a sufficient amount of allocation remaining in the total available allocation, an allocation approval letter will be sent to the applicant. The approval letter will be mailed by first class U.S. Mail to the signatory of the application letter. Express mail may be used upon request and at the issuer's expense.

#### *July 15 Benchmark*

Of the total amount allocated to Non-Home Rule units, the amount of remaining allocation as of July 14, 2019 (the "Non-Home Rule Pool") shall be reserved to the Governor's Office on July 15, 2019 to be allocated to the State, State agencies or Non-Home Rule units as described in the Illinois Allocation Act. Requests submitted prior to July 15 that are not completely fulfilled must be re-filed on or after July 15 if volume cap is still requested.

The Governor's Office will accept Non-Home Rule units' requests for Volume Cap from the Non-Home Rule Pool beginning on the first State business day on or after July 15, 2019. Requests will be accepted, via the methods described on page 3, only on or after 8:30 a.m., July 15, 2019. No requests can or will be accepted prior to this date and time. **On the first date that applications may be received all applications received between 8:30am and 5pm on such date shall be deemed equally first in line and the Governor's Office shall grant cap as it may determine. If more than one request is received in a day, other than the first day that applications may be submitted, completed requests will be logged in by the time the electronic submission is received, and processed on a first-come, first-granted basis.**

#### Please Note –

- A completed "Allocation Request Letter" (Appendix A) and a copy of an "Official Action", as defined in the Illinois Allocation Act, must accompany all request submissions (January 1 or July 15). A submission will not be deemed complete unless a copy of Official Action is included in the transmittal.
- No Non-Home Rule unit may be granted more than 10% of the amount of total allocation initially available to units of local government for a single project. Non-Home Rule units may submit separate requests for multiple projects. Requests must be for specific projects, not general use. Non-Home Rule units do not have power under statute to transfer or reallocate cap to other Non-Home Rule or Home-Rule units. Requests may be made only for cap that will be used within the Non-Home Rule unit's jurisdiction, as evidenced by such

documentation or evidence as the Governor's Office shall request. Letters of intent from lenders shall be deemed prima facie evidence. Units planning to pool their allocations must certify their intent to comply with this section in their request letter.

- **The allocation approval letter is valid for a period of 60 calendar days from the date of the letter. This period is set by the Illinois Allocation Act and cannot be extended.**
- **Pursuant to Section 6 of Illinois Allocation Act, a Non-Home Rule unit IS NOT AUTHORIZED TO REALLOCATE all or any unused portion of its allocation. Direct and indirect reallocations by Non-Home Rule Units are strictly prohibited. This prohibition is discussed more fully in the “Reallocation Provisions” of these Guidelines.**
- **The proceeds from bonds utilizing Volume Cap allocated to a Non-Home Rule unit pursuant to these Guidelines must be used within the jurisdiction of the Non-Home Rule unit.**

## **Non-Home Rule Reporting**

### *Confirmation of Issuance*

Pursuant to Section 7 of the Illinois Allocation Act, Non-Home Rule units are required to report, within 10 calendar days of issuance, the following:

- (d) The amount, if any, used to refund any prior issue of private activity bond; and
- (e) IRS 8038

A form of the “Confirmation of Bond Issuance” letter is provided in Appendix A.

If the amount of bonds issued as stated in the confirmation letter is less than the amount approved for allocation for that project, the amount of unused allocation shall be added to the remaining pool allocation available. This “lapsed” volume cap will be offered first to all issuers who have requested volume cap whose requests were not completely fulfilled, in the order that such requests were initially filed. If more than one request was initially filed at the same time, the order of filing will be randomly assigned for purposes of offering lapsed cap. Volume cap is not considered lapsed unless the issuer or issuer’s representative states in writing that all or a portion of the cap will not be used.

## STATE AGENCIES

### Allocation Requests

For calendar year 2019 there is expected to be \$240,894,465.00 for use by State Agencies, (the “State Agency Pool”), defined as any State agency, commission, board, authority, or body politic and corporate of the State authorized by law to issue Private Activity Bonds, other than a Non-Home Rule or Home-Rule unit.

The Governor’s Office may allocate among all State agencies from the State Allocation Pool available after January 2, 2019. In addition, State agencies may apply beginning on or after the first State business day after June 1, 2019 for the allocation retained by the Governor’s Office from the Home-Rule Pool and beginning on or on July 15, 2019 for the allocation retained, if any, from the Non-Home Rule Pool. Requests submitted prior to June 1 which are not completely fulfilled and requests submitted prior to July 15 which are not completely fulfilled must be re-filed after July 15 if cap from the Non-Home Rule pool is requested. Please see “HOME RULE” and “NON-HOME RULE” sections for submission procedures.

### Please Note-

- **Requests will be processed only for allocation to be used directly by the requesting State agency. Requests may be requested and granted on a lump-sum by private activity bond category or individual project basis as the Governor’s Office may determine. Joint requests from more than one State agency or units of government or requests from one State agency for an allocation that will be used by other units of government will not be considered. Once an allocation is given to a specific State agency, the Governor’s Office will not object if units pool their allocations and join together in a bond issue as advised by legal counsel.**
- **State agencies may submit requests for allocations of any amount. The 10% limit does not apply to State Agencies**
- **The Governor’s Office may consult with State agencies prior to submission of their allocation requests and determine the amount of allocation that shall be requested and approved. The allocation shall be valid through the end of the calendar year.**
- **State agencies may reallocate their unused allocation in the manner described in “REALLOCATION PROVISIONS” with the approval of the Governor’s Office. A State agency that issues bonds after receiving a reallocation from a Home-Rule unit or another State agency shall submit the information described in the “Reporting” section below.**
- **State agencies also may file a carry-forward of an allocation remaining at the end of one calendar year to the next under certain circumstances, with the approval of the Governor’s Office. Issuers should consult their legal counsel with respect to the applicability of this provision to their circumstances**
